

Contents

- Pattern Approach to Breast Sonography Contents** ix
- Pattern Approach to MRI Contents** xvii
- Foreword** xix
- Preface** xxi
- Acknowledgments** xxii
- Contributors**xxiii
 - 1. Approach to Mammographic Analysis 1
 - 2. Sonographic Technique and Cross-Correlation with Mammography 15
 - 3. Approach to Magnetic Resonance Imaging 28
 - 4. PET-CT in Breast Cancer Diagnosis 34
- Circumscribed Masses**
 - 5. Circumscribed Masses: Fat-Containing Masses 42
 - 6. Circumscribed Masses: Medium- or High-Density Masses 55
- Irregular Masses**
 - 7. Irregular Masses: Benign Masses 132
 - 8. Irregular Masses: Malignant Masses 155
- Calcifications**
 - 9. Calcifications: Large Linear 190
 - 10. Calcifications: Milk of Calcium 197
 - 11. Calcifications: Large Round 201
 - 12. Calcifications: Round Lucent Center 203
 - 13. Calcifications: Eggshell/Rim 207
 - 14. Calcifications: Coarse/Popcorn–Fibroadenoma 211
 - 15. Calcifications: Dystrophic 216
 - 16. Calcifications: Small Round/Punctate 224
 - 17. Calcifications: Amorphous/Indistinct Microcalcifications 244

18. Calcifications: Heterogeneous/Pleomorphic Microcalcifications.....	260
19. Calcifications: Fine Linear/Branching Microcalcifications	290
Asymmetry	
20. Global Asymmetry	306
21. Focal Asymmetry	324
Architectural Distortion	
22. Peripheral Architectural Distortion	334
23. Central Architectural Distortion	348
Male Breast	
24. Benign Male Breast	370
25. Malignant Male Breast.....	392
Postsurgical Findings	
26. Augmentation Mammoplasty	402
27. Reduction Mammoplasty	450
28. After Diagnostic or Therapeutic Procedures for Neoplasm	458
Masses Poorly Identified Mammographically	
29. Patient Unable to Tolerate Mammogram	494
30. Palpable Masses.....	496
31. Mammogram Underestimates Tumor Size.....	519
32. Mass in Unusual Locations	527
33. Ductal Abnormalities.....	531
34. Mammographically Occult MRI Lesions	541
Applications of PET-CT	
35. Staging	570
36. Assessing Response to Therapy	592
37. Identifications of Recurrent Disease	602
38. Additional Malignancies	607
39. Unknown Primary.....	610
40. Pitfalls of PET	615
Index	629
