

Skeletal Imaging	1	Lateral View of the Lumbar Spine	56
Skull	2	Oblique View of the Lumbar Spine	58
Posterior-Anterior View of the Skull.....	3	Anterior-Posterior View of	
Lateral View of the Skull	4	the Pelvis.....	60
Towne View of the Posterior Skull	6	Anterior-Posterior View of	
Waters View of the Nasal Sinuses	8	the Pelvis in a Child	62
Occipitofrontal View of the		Inlet View of the Pelvis	64
Nasal Sinuses.....	10	Guthmann's View of the Pelvis.....	66
Posterior-Anterior View of the Orbit... 12		Iliac Wing View of the Pelvis.....	68
Rhese View of the Orbit	14	Obturator View of the Pelvis	70
Maxilla.....	16	Thirty-degree Anterior Oblique	
Ramus Mandible	18	View of the Sacroiliac Joint.....	72
Clementschitsch View of		Anterior-Posterior View of the	
the Mandible.....	20	Sacrum.....	74
Pantomogram of the Jaw and		Lateral View of the Sacrum	76
Facial Bones.....	22	Anterior-Posterior View of the	
Lateral View of the Nose	24	Coccyx	78
Zygomatic Arch.....	26	Lateral View of the Coccyx	80
Base of the Skull.....	28	Upper Extremities	82
Altschul View of the Petrous Ridge..... 30		Osseous Hemithorax.....	82
Schüller View of the Petrous Bone..... 32		Anterior-Posterior View	
Stenvers View of the Petrous Bone..... 34		of the Sternum.....	84
Mayer View of the Petrous Bone	36	Lateral View of the Sternum.....	86
Lateral View of the Sella Turcica	38	Stress View of Both Shoulders	88
Anterior-Posterior View of the Sella		Anterior-Posterior View of the	
Turcica	40	Clavicle.....	90
Spine	42	Oblique View of the Cavicle	92
Anterior-Posterior Full-length View		Acromioclavicular Joint	94
of the Spine.....	42	Anterior-Posterior View of the	
Anterior-Posterior View of the		Scapula	96
Cervical Spine	44	Lateral View of the Scapula	98
Lateral View of the Cervical Spine	46	Trans-scapular "Y" View of the	
Oblique View of the Cervical Spine 48		Shoulder.....	100
Anterior-Posterior View of the		Anterior-Posterior View of the	
Thoracic Spine.....	50	Shoulder.....	102
Lateral View of the Thoracic Spine	52	Anterior-Posterior Abduction	
Anterior-Posterior View of the		View of the Shoulder.....	104
Lumbar Spine.....	54	Axial View of the Shoulder	106
		Tangential View of the Shoulder.....	108
		Transthoracic View of the	

Shoulder.....	110	Forty-five-degree Internal Rotation View of the Knee.....	168
Anterior-Posterior View of the Upper Arm	112	Forty-five-degree External Rotation View of the Knee	170
Lateral View of the Upper Arm	114	Thirty, Sixty, and Ninety-degree Views of the Patella.....	172
Anterior-Posterior View of the Elbow.....	116	Anterior Posterior View of the Lower Leg.....	174
Lateral View of the Elbow.....	118	Lateral View of the Lower Leg.....	176
Axial View of the Elbow.....	120	Anterior-Posterior View of the Ankle.....	178
Oblique View of the Radius	122	Lateral View of the Ankle.....	180
Anterior-Posterior View of the Forearm	124	Oblique View of the Ankle 1.....	182
Lateral View of the Forearm	126	Oblique View of the Ankle 2.....	184
Anterior-Posterior View of the Hand.....	128	Anterior-Posterior View of the Foot ..	186
Oblique View of the Hand	130	Lateral View of the Foot	188
Anterior-Posterior View of the Wrist	132	Lateral View of the Calcaneus	190
Lateral View of the Wrist	134	Tangential View of the Calcaneus.....	192
Carpal Tunnel	136	Hindfoot in a Standing Patient	194
Scaphoid Views	138	Anterior-Posterior View of the Metatarsals	196
Special View of the Pisiform	140	Oblique View of the Metatarsals	198
Oblique View of the Metacarpals	142	Anterior-Posterior View of the Forefoot	200
Finger in Two Planes.....	144	Oblique View of the Forefoot	202
Lower Extremities	146	Anterior-Posterior and Lateral Views of the Great Toe	204
Full-Length Anterior-Posterior Weight-bearing View of the Leg	146	Anatomy of Miscellaneous Plain Films	207
Anterior-Posterior View of the Hip....	148	Routine Radiographs.....	208
Lauenstein View of the Hip	150	Posterior-Anterior Chest Radiograph	208
Tangential View of the Femoral Head (Schneider I)	152	Posterior-Anterior Chest Radiograph (Heart and Major Vessels).....	210
Tangential View of the Femoral Head (Schneider II).....	154	Routine Radiographs.....	212
Axial View of the Hip	156	Lateral Chest	212
Anterior-Posterior View of the Thigh.....	158	Segments of the Lung	214
Lateral View of the Thigh	160	Anterior Oblique View of the Right Chest	216
Anterior-Posterior View of the Knee.....	162		
Lateral View of the Knee	164		
Frik Tunnel View of the Knee	166		

Anterior Oblique View of the Left Chest.....	218	Arthrography	268
Abdomen with the Patient Standing.....	220	Posterior-Anterior Wrist Arthrogram.....	268
Abdomen with the Patient Supine.....	222	Lateral Wrist Arthrogram.....	270
Spot Images	224	Anterior-Posterior Shoulder Arthrogram.....	272
Craniocaudal Mammogram.....	224	Oblique Shoulder Arthrogram.....	274
Mediolateral Mammogram.....	226	Knee Arthrogram.....	276
Anterior-Posterior Spot View of the Trachea.....	228	Ankle Arthrogram.....	278
Lateral Spot View of the Trachea.....	230	Arteriography	280
Tomography	232	Anterior-Posterior Internal Carotid Arteriogram, Arterial Phase.....	280
Anterior-Posterior Tomogram of the Pulmonary Hilum.....	232	Lateral Internal Carotid Arteriogram, Arterial Phase.....	282
Lateral Tomogram of the Right Hilum of the Lung.....	234	Anterior-Posterior Internal Carotid Arteriogram, Venous Phase.....	284
Tomogram of the Sacroiliac Joint.....	236	Lateral Internal Carotid Arteriogram, Venous Phase.....	286
Contrast Studies	239	Anterior-Posterior Vertebral Arteriogram, Arterial Phase.....	288
Gastrointestinal System	240	Lateral Vertebral Arteriogram, Arterial Phase.....	290
Anterior-Posterior View of the Hypopharynx.....	240	Anterior-Posterior Vertebral Arteriogram, Venous Phase.....	292
Lateral View of the Hypopharynx.....	242	Lateral Vertebral Arteriogram, Venous Phase.....	294
Esophagus.....	244	Anterior-Posterior Angiogram of the Cervical Vessels.....	296
Esophagus and Stomach	246	Anterior-Posterior Aortic Arch Angiogram.....	298
Stomach.....	248	Pulmonary Arteriogram, Arterial Phase.....	300
Stomach and Duodenum.....	250	Anterior-Posterior Pulmonary Arteriogram, Venous Phase.....	302
Stomach and Small Bowel.....	252	Celiac Trunk Angiogram, Arterial Phase.....	304
Small Bowel.....	254	Celiac Trunk Angiogram, Venous Phase.....	306
Spot Film of the Ileocecal Region.....	256		
Colon.....	258		
Rectum.....	260		
Defecography.....	262		
Intravenous Contrast Studies	264		
Intravenous Urogram.....	264		
Intravenous Cholecystochlol angiogram.....	266		

Superior Mesenteric Arteriogram, Arterial Phase	308
Superior Mesenteric Arteriogram, Venous Phase	310
Renal Arteriogram, Arterial Phase	312
Renal Arteriogram, Venous Phase	314
Pelvic Aortic Angiogram	316
Lower Extremity Angiogram of the Tigh.....	318
Lower Extremity Angiogram of the Knee.....	320
Lower Extremity Angiogram of the Lower Leg.....	322
Lower Extremity Angiogram of the Ankle and Foot.....	324
Venography	326
Anterior-Posterior Superior Vena Cava Venogram.....	326
Anterior-Posterior Inferior Vena Cava Venogram.....	328
Lateral Inferior Vena Cava Venogram	330
Upper Extremity Venogram of the Axilla	332
Upper Extremity Venogram of the Forearm	334
Lower Extremity Venogram.....	336
Special Studies	339
Special Studies.....	340
Anterior-Posterior Thoracic Myelogram.....	340
Lateral Thoracic Myelogram	342
Anterior-Posterior Lumbar Myelogram.....	344
Lateral Lumbar Myelogram.....	346
Oblique Lumbar Myelogram.....	348
Anterior-Posterior Bipedal Lymphangiogram, Channel Phase	350
Oblique Bipedal Lymphangiogram, Channel Phase.....	352
Anterior-Posterior Bipedal Lymphangiogram, Nodal Phase.....	354
Anterior-Posterior Left Bronchogram	356
Lateral Left Bronchogram.....	358
Lateral Parotid Sialogram	360
Anterior-Posterior Parotid Sialogram.....	362
Hysterosalpingogram.....	364
Galactogram	366
ERCP (Endoscopic Retrograde Cholangiopancreatography).....	368
