THIEME Atlas of Anatomy

THIEME Atlas of Anatomy Neck and Internal Organs

384 pp., 962 illustrations
Softcover, ISBN 1-58890-443-1, US\$ 59.95
Hardcover, ISBN 1-58890-360-5, US\$ 109.95
Latin/hardcover, ISBN 1-58890-444-x, US\$ 109.95
DVD Image Collection, ISBN 1-58890-547-0, \$199.95

Special features of this landmark series:

- An innovative format in which each two-page spread presents a self-contained guide to the specific topic
- Brilliant full-color images created exclusively for the series
- Hundreds of clinical applications that emphasize the vital link between structure and function
- Clearly labeled images that aid the identification of each structure
- Summary tables throughout which are ideal for reference and review
- Available in softcover, hardcover, and Latin nomenclature editions
