

*Ultraschall in der Medizin / European Journal of Ultrasound* publishes scientific papers and contributions from a variety of disciplines on the diagnostic and therapeutic applications of ultrasound with an emphasis on clinical application. Technical papers with a physiological theme as well as the interaction between ultrasound and biological systems are also accepted for publication. The editors and the publishers reserve the right to publish selected articles online only.

**Manuscript submissions are accepted exclusively online at <http://mc.manuscriptcentral.com/eju> or via the URL <http://www.thieme.de/ultraschall>.** Manuscripts should be prepared according to the guidelines in the following table before submission. Should you have any questions regarding manuscript submission or experience technical problems with the system, please contact the UiM/EJU Editorial Office at [eju.editorialoffice@thieme.de](mailto:eju.editorialoffice@thieme.de) or call ++49/(0)711/8931-277. Please note that for all figures not created by yourself an official permission by the copyright holder is required for the usage in print and online format.

Manuscript Element/ Manuscript Type	Review	Original Article, Technical Developments, Rapid Communication	Case Report and Pictorial Essay	Submission via Manuscript Central: <a href="http://mc.manuscriptcentral.com/eju">http://mc.manuscriptcentral.com/eju</a>
