Form for authors to fill out upon submission:

Open-Access Publication for UK authors

Open Access publication for authors from selected UK institutions

Thieme is pleased to partner with JISC to offer authors from affiliated institutes the opportunity to publish in the following titles **without** Article Processing Charge (APC).

In order to qualify for this free option, please complete the form below and submit with your manuscript to the journal in question. Failure to do this may result in articles being incorrectly published, or having to pay the full APC.

1. Please indicate the journal you are submitting to (only titles listed below apply):
