Contents

Section I. Basic Principles

Chapter 1. Introduction to Volume Rejuvenation: Anatomical and Physiological Volume Changes with Aging and Weight Loss

Berish Strauch & Charles K. Herman

Chapter 2. History of Techniques and Materials Used in Volume Enhancement

Matthew J. Fullana & Gary E. Wnek

Chapter 3. Imaging Technology as a Consultation Tool in Breast Surgery

Allen Gabriel, Craig Creasman, & George Patrick Maxwell

Section II. Face

Chapter 4. Hyaluronic Acid for Facial Volumization

Louis M. DeJoseph & Johnny C. Mao

Chapter 5. Facial Augmentation with Poly-L-Lactic Acid: Areas of Correction and Comparison to Other Fillers

Tiffani K. Hamilton

Sherry Collawn, John M. Mesa, & Luis O. Vasconez

Chapter 7. Current Concepts in Fat Transplantation to the Face

Sydney R. Coleman, Alesia P. Saboeiro, & Alexes Hazen

Chapter 8. Facial Rejuvenation with Fat Cells

Andrew Kornstein & Jeremy S. Nikfarjam

Chapter 9. Techniques for Volume Restoration of the Brow, Upper Lid, Temporal Area, and Tear Trough
Val Lambros

Chapter 10. Strategies for Creating the Ogee of the Midface

Oscar M. Ramirez

Chapter 11. Three-Dimensional Facial Volumization with Anatomical Alloplastic Implants

Edward Owen Terino

Chapter 12. Role of Implants in Aesthetic Augmentation of the Orbital, Frontal, Glabellar, Temporal, and Mandibular and Chin Areas

Oscar M. Ramirez

Chapter 13. Midfacial Augmentation

John M. Mesa, Luis O. Vasconez, & Jorge I. de la Torre

Berish Strauch, Jeremy S. Nikfarjam, & Charles K. Herman

Chapter 15. Autologous Fat Grafting in Aesthetic Rhytidoplasty Surgery

Jose Guerrerosantos

Chapter 16. Augmentation of Deep Medial Cheek Fat (DMCF)

Rod J. Rohrich & Joel E. Pessa

Chapter 17. Facial Rejuvenation of the Malar Region with Dermal Fat Grafting

Jeremy S. Nikfarjam, Berish Strauch, & Charles K. Herman

Chapter 18. The Use of Bone Grafting in Augmentation Rhinoplasty

Oren M. Tepper & Oscar J. Manrique

Chapter 19. Augmentation Rhinoplasty with Autologous Cartilage

Ronald P. Gruber, Sina Bari, Ario Barzin, Kyle A. Belek
Chapter 20. “Turkish Delight” Graft to the Nasal Dorsum

Onur O. Erol & Galip Agaoglu

Chapter 21. Use of Irradiated Cartilage Grafts in Rhinoplasty

Angela K. Sturm-O’Brien and Russell W.H. Kridel

Chapter 22. Fillers for Nasal Contour Defects

Frederic Braccini & Alessio Redaelli

Section III. Breast

Chapter 23. Breast Enhancement with Prosthetic Implants and Biological Grafts

George Patrick Maxwell & Allen Gabriel

Chapter 24. Breast Augmentation with Implants: Materials and Techniques

Ari S. Hoschander, Samantha Arzillo, & Charles K. Herman

Chapter 25. Breast Augmentation Using Autologous Fat Graft

Yves-Gérard Illouz & Aris Sterodimas

Chapter 26. Long-Term Results in Breast Augmentation with Adipose Tissue

Sydney R. Coleman & Alesia P. Saboeiro

Chapter 27. The Use of Fat Transfer for Reshaping the Reconstructed Breast

Maurice Nahabedian

Chapter 28. Oncological Considerations of Fat Transfer to the Breast

Steven R. Cohen & Ryan K. Wong

Chapter 29. Autologous Dermal Flaps to the Breast after Weight Loss: The Dermal Suspension/Total Parenchymal Reshaping Technique

J. Peter Rubin & Ronald P. Bossert

Chapter 30. Autologous Breast Augmentation with Dermafat Flaps
Charles K. Herman & Berish Strauch

Chapter 31. Autologous Breast Augmentation with Inferior Pedicle Perforator Flaps

Ahmed M.S. Ibrahim, Samuel J. Lin, & Bernard T. Lee

Chapter 32. Volume Restoration to the Breast Using Microsurgical Perforator Flaps

Joshua Levine & Oscar J. Manrique

Chapter 33. Volume Correction of the Partial Mastectomy Defect with the DIEP Flap

Randall S. Feingold

Chapter 34. Volume Augmentation of the Deficient DIEP Flap

Randall S. Feingold

Chapter 35. Male Chest Contouring with Implants

Jesús Benito-Ruiz

Section IV. Extremities

Chapter 36. Introduction to Hand Rejuvenation

Jason N. Pozner & Barry E. DiBernardo

Chapter 37. Fat Grafting to the Dorsal Hands

Sydney R. Coleman & Alesia P. Saboeiro

Chapter 38. Calf Augmentation with Fat Sculpting

Adrien Aiache

Chapter 39. Calf and Thigh Implants

Luis Montellano Cruz

Chapter 40. Soft Gel Calf Augmentation

Yhelda A. Felicio

Chapter 41. Calf Augmentation with Fat Transfer
Section V. Buttocks and Trunk

Chapter 42. Buttock Augmentation with Gluteal Implants: The “XYZ” Intramuscular Method

Raul Gonzalez

Chapter 43. Buttock Augmentation with Dermal-Fat Grafts

Yves-Gérard Illouz & Aris Sterodimas

Chapter 44. Buttock Augmentation with Free Fat Transfer

Constantino Mendieta

Chapter 45. Buttock Augmentation with Dermal Rotation Flaps

Zachary Gerut & Christine Rohde

Chapter 46. Buttock Augmentation with Myocutaneous Flaps

Sadri O. Sozer & Francisco J. Agullo

Chapter 47. Bilateral Lumbar Hip Dermal-Fat Rotation Flaps

Sadri O. Sozer & Francisco J. Agullo

Chapter 48. Purse-String Gluteoplasty

Joseph P. Hunstad & Remus Repta

Chapter 49. Body Sculpting in the Normal-Weight Patient Using Both Lipoaspiration and Simultaneous Augmentation with Fat Grafts: Four-Dimensional High-Definition Liposculpture

John A. Millard
