The Audiogram Workbook provides students with essential practice in reading and interpreting audiograms. Each case begins with a case history and audiogram, followed by the correct interpretation on the next page.

SALES HOOKS
- Each case allows the reader to view and correctly interpret audiograms and to understand case history writing
- Practice audiograms provide students with a “clean slate” to write and create a case history based on audiogram and then interpret results
- The Audiological Interpretation Cheat Sheet assists readers in interpreting audiograms during clinical rotations
