and Charleston, SC, USA

DESCRIPTION Lasers and Light, Peels and Abrasions is a comprehensive clinical reference on all invasive and non-invasive treatments for aging, diseased, and congenitally deformed skin. Every treatment modality that's used for skin rejuvenation, scars, complications, vascular abnormalities, and ethnic skin type variations, and more, is explained in detail.

SALES HOOKS
- Online access to 10 videos in which the authors demonstrate the use of specific techniques with lasers and peels
- Contributors are experts in the fields of facial plastic surgery, plastic surgery, and dermatology
- Chapters on techniques used to treat East Asian, African, and Latino skin
- More than 400 high-quality, full-color illustrations and photos clarify techniques presented in the text
