Alan S. Herford, DDS, MD, FACS, FACP, FICD, is Professor and Chairman, Department of Oral and Maxillofacial Surgery, Loma Linda University School of Dentistry, Loma Linda, California, USA.

**DESCRIPTION**  
Portable, user-friendly reference covers the most essential oral surgery information!  

Oral Surgery for Dental Students: A Quick Reference Guide by nationally recognized oral and maxillofacial surgeons and educators Jeffrey A. Elo and Alan S. Herford focuses on essential oral surgery-related topics and management of patients in general dental practice. Well-rounded perspectives are reflected in contributions from dental students, an oral and maxillofacial surgery resident, an oral and maxillofacial radiologist, an oral and maxillofacial pathologist, and an author/anatomist.

**Key Features:**

- Step-by-step chapters with clinical images and online videos detail instrumentation, posture/ergonomics, and proper techniques of dental extraction
- In-depth chapters on radiographic analysis and interpretation, common oral pathologies/lesions, medical emergencies, and co-occurring patient health issues, including protocols and case studies
- Sample note writing and new patient scripts provide unique tutorials for dental students, residents, and new dentists

This quintessential clinical learning tool also provides a quick procedural review prior to treating dental/surgical patients.

**COMPETITION**  
CONTENTS
