Workflow document – APC-free open access publishing

Form for authors to fill out upon submission:

Open-Access Publication for UK authors

Open Access publication for authors from selected UK institutions

Thieme is pleased to partner with JISC to offer authors from affiliated institutes the opportunity to publish in the following titles **without** Article Processing Charge (APC).

In order to qualify for this free option, please complete the form below and submit with your manuscript to the journal in question. Failure to do this may result in articles being incorrectly published, or having to pay the full APC.

1. Please indicate the journal you are submitting to (only titles listed below apply):

- Seminars in Hearing
- Seminars in Respiratory and Critical Care Medicine
- Seminars in Thrombosis and Hemostasis
- Synfacts

For all other journals included in the agreement, please proceed directly to the submission page of the journal. Thank you.

2. Please indicate your institution:

- Imperial College London
- UCL University College London

3. Please note that, in order to be compliant with JISC funding rules, your article will be published with the following creative commons license ([click here for more information on creative commons licenses](#)):

- CC-BY

4. I acknowledge that should my manuscript be accepted for publication, my article will be published Open Access with no APC.*
