### Workflow document – APC-discount/consortia agreements

Form for authors to fill out upon submission:

#### Open-Access Publication for South African authors

Open Access publication for authors from selected South African institutions

Thieme is pleased to partner with SANLIC to offer authors from affiliated institutes the opportunity to publish in the following titles at a 25% discount on the full Article Processing Charge (APC)\*.

In order to qualify for this reduced APC, please complete the form below and submit with your manuscript to the journal in question. Failure to do this may result in articles being incorrectly published, or having to pay the full APC.

#### 1. Please indicate the journal you are submitting to (only titles listed below apply):
