

<b>1 Foreign Body Extraction</b>		<b>1</b>	
General .....	2	Technique .....	3
Indications .....	2	Extraction from the Esophagus .....	3
Prerequisites .....	2	Extraction from the Stomach .....	6
Instruments .....	2	Extraction from the Rectum .....	11
Technique .....	2	Complications .....	12
Instruments .....	3		
<b>2 Bougienage and Balloon Dilatation</b>		<b>13</b>	
General .....	14	Instruments .....	15
Indications .....	14	Technique .....	15
Prerequisites .....	14	Bougienage .....	17
Placing the Guidewire .....	14	Balloon Dilatation .....	19
Instruments .....	14	Endoscopic Incision of Stenotic Rings .....	21
Technique .....	14	Complications .....	22
<b>3 Esophageal Stent Placement</b>		<b>23</b>	
General .....	24	Technique .....	25
Indications .....	24	Plastic Stent Replacement .....	25
Prerequisites .....	24	Expandable Stent Placement .....	28
Instruments .....	24	Sealing of Esophageal Fistulae .....	29
		Complications .....	31
<b>4 Percutaneous Endoscopic Gastrostomy (PEG)</b>		<b>33</b>	
General .....	34	Instruments .....	35
Indications .....	34	Technique .....	35
Prerequisites .....	34	Placement of a Jejunostomy Tube through a PEG ..	45
Instruments .....	34	Complications .....	46
Technique .....	34		
<b>5 Enteral Tube Placement</b>		<b>49</b>	
General .....	50	Technique .....	50
Indications .....	50	Complications .....	52
Prerequisites .....	50	Complications .....	53
Instruments .....	50	Enteral Stent Placement .....	55
<b>6 Nonvariceal Bleeding</b>		<b>57</b>	
General .....	58	Technique .....	60
Indications .....	58	Hemoclip .....	60
Prerequisites .....	58	Complications .....	60
Instruments .....	59		

<b>7 Treatment of Esophagogastric Varices</b>		73	
General .....	74	Instruments .....	76
Indications .....	74	Technique .....	77
Prerequisites .....	74	Complications .....	86
<b>8 Endoscopic Retrograde Cholangiopancreatography (ERCP)</b>		87	
General .....	88	Technique .....	88
Indications .....	88	Cannulation of the Papilla .....	91
Prerequisites .....	88	Difficult Cannulation .....	92
Instruments .....	88	Special Considerations .....	93
		Reaching the Papilla .....	97
		Cannulation Technique .....	99
		Complications .....	99
<b>9 Sphincterotomy</b>		101	
General .....	102	Technique .....	103
Indications .....	102	Bile Duct Sphincterotomy .....	103
Prerequisites .....	102	Pancreatic Sphincterotomy .....	110
Instruments .....	102	Complications .....	111
<b>10 Biliary Stone Extraction</b>		115	
General .....	116	Instruments .....	116
Indications .....	116	Technique .....	116
Prerequisites .....	116	Complications .....	128
<b>11 Biliary Stent Drainage</b>		129	
General .....	130	Technique .....	131
Indications .....	130	Complications .....	144
Prerequisites .....	130	Stent Replacement .....	146
Instruments .....	130		
<b>12 Pancreatic Duct Stenting and Stone Extraction</b>		151	
<b>Stenting</b> .....	152	Instruments .....	152
General .....	152	Technique .....	152
Indications .....	152	Complications .....	155
Prerequisites .....	152	<b>Pancreatic Duct Stones</b> .....	155
<b>13 Pancreatic Pseudocyst Drainage and Stenting of Pancreatic Duct Leaks and Fistulas</b>		157	
<b>Pancreatic Pseudocyst Drainage</b> .....	158	Instruments .....	158
General .....	158	Technique .....	158
Indications .....	158	Complications .....	165
Prerequisites .....	158	<b>Management of Pancreatic Leaks and Fistulas</b> .....	165

---

<b>14 Papillectomy</b>			169
<hr/>			
General .....	170	Instruments .....	170
Indications .....	170	Technique .....	170
Prerequisites .....	170	Complications .....	170
<b>15 Polypectomy in the Colon</b>			175
<hr/>			
General .....	176	Instruments .....	176
Indications .....	176	Technique .....	176
Prerequisites .....	176	Complications .....	188
<b>16 Resection of Early Cancer (Mucosectomy)</b>			193
<hr/>			
General .....	194	Technique .....	194
Indications .....	194	Complications .....	194
Instruments .....	194		
<b>17 Endoscopic Septotomy of Zenker's Diverticulum</b>			201
<hr/>			
General .....	202	Instruments .....	202
Indications .....	202	Technique .....	202
Prerequisites .....	202	Complications .....	202
<b>Index</b>			205
